Dear Parents/Carers,

Wow! It’s Week 6 already! Your children have settled in well and are learning the classroom expectations and routines. We are having a wonderful time getting to know all the different personalities.

In Term 1 we are learning about families and a part of these studies is to create a “ME” box. 1MM students will make a mini museum out of a box, eg. shoe box and fill it with items about themselves. These items will be returned in the ‘ME’ box, after a short while on display in the classroom.

If all children in 1MM could bring in:

- a box (a shoe box is a great size)
- 5 small items about themselves, eg. a medal or trophy, a swimming ribbon, a small toy, a family photo, a photo of a friends party, a favourite pet rock, a favourite toy car, something they found on a holiday, etc. These are not compulsory but just examples of what the children may like to put in their box.

Our wonderful class parents, Sonia and Penny have asked if we could send out a gentle reminder to parents that if you wish for your child to be added to the class information sheet, could you please send back details to either class teacher as soon as possible. It is fine to simply write this information on a piece of paper, including name, phone number and email address, if you wish. This information is then given to families on the list so they can contact each other for ‘catch ups’.

It is 1MM’s first assembly in Week 7, Thursday 12th March. All parents and family are most welcome to attend. The assembly starts at 10.20am in the school hall. It would be greatly appreciated if all students in 1MM could please bring in a plate of food to share, such as fruit, sandwiches, cupcakes, savoury snacks, etc and take it to the canteen before school or parents can drop it off just before the assembly starts.

Miss Merritt will be absent for 3 days, from Thursday 26th March until Monday 30th March. Mrs Morris will be teaching at her regular times. Please inform your children beforehand, if they may be a little anxious about Miss Merritt’s absence. Miss Merritt will return to school on Tuesday 31st March.

Hoping this note finds you all happily sharing in your child’s learning. Please contact either Miss Merritt or Mrs Morris if you have any queries or concerns.

Kind Regards

Miss Shelley Merritt & Mrs Sally Morris
