Dear Parent/Carer

2013 VOLUNTARY SCHOOL CONTRIBUTIONS

With the agreement of this school's community it is intended to seek from parents and guardians a Voluntary School Contribution (previously known as school fees). Funds raised through this contribution will be used to supplement educational resources and programs in our school.

The Voluntary School Contribution for 2013 for Years K-6 is $40 per child.

I stress that payment of the Voluntary School Contribution is a matter for decision by individual parents and guardians. It is entirely voluntary. Our school would welcome your contribution as this will significantly enhance the resources made available to students.

The funds generated by the Voluntary School Contribution will be retained by the school and may be supplemented by other school activities and funds raised by parent organisations for the benefit of students.

While I take the opportunity to stress the importance of your contribution in the context of our school's overall finances, I assure all parents that no embarrassment or discrimination will occur in our school as a result of non-payment of the contribution. Should you wish, I will be pleased to discuss difficulties with you including exemptions, support and options for payment by instalments.

It is anticipated that the funds raised will be expended upon the following: computer resources, textbooks, exercise books, stationery, craft/art supplies and other materials for general classroom use.

Yours sincerely

Ms Carolyn Howard
