2014 Intensive Swimming Scheme Information

Dear Parents

Your child will commence participation in the Intensive Swimming Program next Monday 24 November 2014 and continue for two weeks until Friday 5 December.

Year 2 students will depart school on foot immediately after roll marking each morning at 9.05am and will return to school at 11am. It is very important that all swim scheme participants arrive promptly at school. Year 2 students arriving late will not be able to join the program on that day. Students in Years 3 – 6 will leave school at 10.10am and will return to school at 11.45am.

Students will be required to wear swimwear under their uniform to school in the mornings. They will change back into their uniform and underwear at the end of the session, at the pool.

Each day students will be required to bring:

- A towel
- A hat and sunscreen
- A bottle of water
- Swimmers, a sun protection shirt (‘rash-shirt’) and goggles (if required)
- A plastic bag for wet towel and clothes
- Dry underwear to change into
- On one day in the second week all students will need to bring a long sleeve t-shirt and long pants (track-suit pants) to wear in the pool during a safety test. Students will be advised of the day prior to this activity taking place.
